Just For Kids Clinic

MISSION

The Just For Kids Clinic provides a high standard of health care with compassion, respect and dignity to all children and young adults through access to fully-trained paediatricians and professional support staff.

HISTORY

Established in 1992 by Dr. P. Forbath, Dr. D. Mehta, Dr. P. Ho, Dr. E. Jokay, Dr. A. Sanchez and Dr. S. Choi, the Just For Kids Clinic was the first outpatient paediatric walk-in clinic located outside the Hospital for Sick Children in Toronto.

The Clinic has experienced many changes throughout the years. However, the fundamental concept which prompted the creation of the Clinic continues - and that is to provide a high standard of health care to children and young adults.

SERVICES PROVIDED

- The Clinic is staffed by fully-trained paediatricians.
- The Clinic provides services to patients whose doctors may be away or unavailable.
- The Clinic provides complete clinical, diagnostic and therapeutic services.
- The Clinic has ready access to X-ray, ultrasound, MRI and blood work facilities since it is located within St. Joseph's Health Centre.
